Dear Friends:

As a U.S. Senator, one of the things I take great satisfaction in doing is encouraging young people who reach for and exhibit excellence. That is why I wanted to extend my heartfelt congratulations to the River City Science Academy's Science Olympiad Team for winning First Place in the prestigious Science Olympiad State Competition in Orlando, Florida.

This accomplishment represents a well-deserved recognition of your hard work and hours of preparation, as well as an important milestone during your youth. It causes me great pride to see bright young Floridians excel as you have. I also want to thank the parents, teachers, faculty and staff for their efforts in helping the Olympiad Team reach their goals. I celebrate your achievement along with you, and wish you luck as you represent Florida at the national competition in Fort Collins, Colorado.

Sincerely,

A handwritten signature in blue ink that reads "Bill Nelson". The signature is written in a cursive style with a long, sweeping underline.
