River City Science Academy  
Science Olympiad Team  
7565 Beach Boulevard  
Jacksonville, FL 32216

Dear Students:

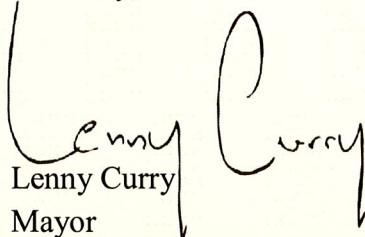

Congratulations on your outstanding performance at the Florida Science Olympiad! Your first- place finish is a testament to the many hours I'm certain you spent studying and preparing. You have made your family, teachers, friends and community very proud.

On behalf of the citizens of Jacksonville, I wish you much success as you head to Colorado in May to represent both our city and state in the national tournament.

Please continue to dream big and pursue your goals. You truly represent the bright future that I envision for our young people.

Again, congratulations, and best of luck!

Sincerely,

  
Lenny Curry  
Mayor
