August 29, 2018

River City Science Academy
Jacksonville, FL

Dear Friends,

It is with great pleasure that I congratulate River City Science Academy for winning the State Championship in the Science Olympiad.

Countless hours of hard work and dedication put forth by students and teachers from River City Science Academy have led to this important accomplishment. STEM serves as an inspiration in many young lives and will continue to have an important role in every field of work in the future. I am confident River City will continue to serve as an example for educators and students throughout our state by emphasizing the importance of these programs and the teaching profession in the community.

On behalf of the people of Florida, I congratulate you again on winning the State Championship. Please accept my best wishes to River City Science Academy and I look forward to hearing of your continued success in the years to come.

Sincerely,

Marco Rubio
United States Senator
