River City Science Academy
7565 Beach Boulevard
Jacksonville, Florida 32216

Dear Friends:

Congratulations to River City Science Academy on your 10th anniversary! Although I am unable to be with you, I am delighted to recognize the leadership team who has put forth the time and effort with students focusing on an education in science, technology, engineering and math. Our nation has a proud tradition of excellence in scientific and technological innovation, and the accomplishments of the 2,500 students enrolled in your institution will continue that legacy of success.

I know everyone there today is proud of the teachers, students, staff, and families for the work they have done. It is imperative that we invest in America through our children, and I am sure the mission and goals of the River City Science Academy will influence future generations for years to come.

Best wishes for continued success!

Sincerely,

Bill Nelson
